Ford Smart Mobility Accelerator

Technology Arts Sciences TH Köln · Loughborough University · Universidad Politécnica de Madrid · Universitat de València

Hi UBIBUS,

Congratulations you have won, along with your team mates a place through to the Ford Smart Mobility Accelerator, which is due to be held at the University of Valencia/ Universitat de València 21st October through the 23rd October.

The Smart Mobility Accelerator is a three -day event where you will get the opportunity to network with smart mobility challenge teams from UK, Spain and Germany, hear from previous winners, participate in a workshop on pitch training to enhance your pitch and take a tour of the Ford Valencia plant.
Thursday morning you will attend the Valencia Digital Summit (VDS) for startups and investors.

You will also have the chance to pitch your project in English to a jury consisting of University, Ford Philanthropy and Business representatives for the opportunity to win a scale-up grant.

We would kindly ask that your team submit a 3-minute video and/or 3-5 slide presentation deck that includes the following:

- The Community need your project addresses
- Your project overview
- Progress since winning the Ford Philanthropy Smart Mobility Challenge
- How you propose to scale-up your project should you win an accelerator grant

Your video and/or presentation should be sent to TRANSyT-UPM
- Please send it through as a mp4, mkv, pptx file to this email address Jorge Bañuelos (jorge.banuelos@upm.es) by Friday 2nd October.

We will contact you shortly with details of your travel and accommodation arrangements.

We look forward to receiving your project information
